

PSEG LONG ISLAND ENERGY EFFICIENCY PROGRAMS PROGRAM ANNOUNCEMENT

Announcement #: 2024-02-HPPH

Date: 03/08/2024

RE: 2024 Heat Pump Pool Heater Rebate Increase

Effective April 1, 2024, PSEG Long Island will increase customer rebates for installations of Heat Pump Pool Heaters (HPPH) from \$600 to up to \$1,000. The program will continue to provide a \$100 partner/dealer/installer incentive for all eligible completed installations.

- Eligibility Requirements – Units must have a COP of at least 5 with a limit of one rebate per residential account every 5 years. The HPPH Qualified Product List can be found [here](#) under Appliances + Products.

The rebate of up to \$1,000 only applies to HPPHs purchased and installed on or after April 1, 2024. Units purchased between January 1, 2024, and March 31, 2024, are subject to a rebate of \$600. If a unit is purchased before April 1, 2024, but installed on or after April 1, 2024, it qualifies for a maximum of \$600 customer rebate.

If you have not enrolled as a PSEG Long Island HPPH Partner for 2024, your Projects/HPPH submittals WILL NOT BE PROCESSED OR APPROVED for the 2024 program.

Please follow the instructions for submission to enroll and participate as a PSEG Long Island HPPH Partner for 2024:

1. Signed 2024 Partner Agreement (PDF).
2. Filled out 2024 Partner Application (Microsoft Excel Workbook).
3. A copy of your Company's IRS Form W-9.
4. A copy of your Company's Certificate of Liability Insurance.
 - For the Certificate of Insurance, please list the following:
PSEG Long Island
395 N. Service Rd, Suite 409
Melville, NY 11747

SAVE THE DATE! On Thursday, April 4th at 7:30AM, PSEG Long Island Energy Efficiency team will be hosting the [2024 Heat Pump Technologies and Solutions Conference](#) at the Huntington Hilton. In hosting this first-ever conference, PSEG Long Island takes a powerful step toward making heat pump technologies a major part of your future.
