

PSEG LONG ISLAND ENERGY EFFICIENCY PROGRAMS PROGRAM ANNOUNCEMENT

Document #: Partner Program 2024-03-HPPH
Announcement Date: 12/13/2024

RE: 2025 Heat Pump Pool Heater Rebate Change

Starting January 1, 2025, PSEG Long Island will offer customer rebates of **up to \$600** for the installation of eligible Heat Pump Pool Heaters. PSEG Long Island provides customer rebates for the following:

- **Eligible Electric Heat Pump Pool Heaters** – Units must have a COP of at least 5 with a limit of one rebate per residential account every 5 years. The Qualified Product List can be located [here](#).

The rebate of up to \$600 applies to units purchased and installed on or after January 1, 2025. To learn more about the current ENERGY STAR® rebate requirements, please visit [PSEG-LI Rebate Requirements](#) page under Heat Pump Pool Heaters.

Questions or concerns with program updates should be directed to the mailbox below:
