RE: 2024 Geothermal Program Application Version 2.0 Release

PSEG Long Island is pleased to announce the 2024 Geothermal Program V2.0 application workbook. The new Geothermal application is for residential projects only. All commercial projects must go custom. The application is effective immediately, January 22nd. We will continue to accept the V1.0 (for residential projects) until COB of February 1st.

Please note that the 2024 rebates are now based on heating BTU and capped at \$25,000 (for market rate customers) and \$35,000 (for low to moderate income customers).

All new applications are now available on the PSEG Long Island website at:
<https://www.psegliny.com/saveenergymoney/GreenEnergy/Geothermal>

The PSEG Long Island Energy Efficiency team holds Open House Events every Friday from 9AM to 10AM at the TRC office at 395 North Service Road, Suite 409, Melville, NY 11747 or you can join us on our [Virtual Open House meetings](#). If you have any questions, please do attend.

SAVE THE DATE! On Thursday, February 1st at 7:30AM, PSEG Long Island Energy Efficiency team will be hosting the **2024 Program Rollout Breakfast and Partner Awards** meeting at the Huntington Hilton. The PSEG Long Island Energy Efficiency staff will be on hand to answer questions. Please register at <https://www.eventbrite.com/e/2024-annual-partner-breakfast-and-awards-presentation-tickets-773103592657>

If you have any issues with the Home Comfort Program or rebate application, you can contact myself, Hamid Muneeb (Hamid.Muneeb@pseg.com), or James Falvey (James.Falvey@pseg.com) with questions.

On behalf of the entire Home Comfort team, thank you for your participation!

Sincerely,

Jonathan Tham
