RE: 2023 Home Comfort and Home Performance Rebate Application Version 3.0 Release

Dear Home Performance Partners:

PSEG Long Island is pleased to release the 2023 Home Performance V3.0 rebate application workbook. **Effective June 20th**, all new project submittals must use the new V3.0 application. The application will be available for download at

<https://www.psegliny.com/saveenergyandmoney/homeefficiency/homeassessments/forcontractors>

Effective June 20th the rebates for **HEMI and LMI projects** will follow the chart below. You must contact your customers with open proposals and inform them of the change in rebates.

PSEG Long Island Home Performance with ENERGY STAR Eligible Rebate List		
Measure	HEMI Rebate	LMI Rebate*
Insulation	\$500	\$3,700
Air Sealing	\$250	\$800
Duct Sealing	\$250	\$500

*LMI Rebates follow NYSEDA EmPower financial requirements with verifications completed by Energy Finance Solutions.

Customer Eligibility

- Single-family homes in PSEG LI territory with a primary heating fuel of oil, propane, or electric are eligible for HEMI and LMI Rebates.
- Single-family homes in PSEG LI territory with a primary heating fuel of natural gas and central air conditioning servicing at least 50% of the home are not eligible for the HEMI Rebate but are eligible for the LMI Rebate.
- Combo Projects (Home Comfort + HPwES) originating with a primary heating fuel of natural gas are eligible for both HEMI and LMI Rebates.

Feel free to contact Sophia Desir sophia.desir@pseg.com or myself with any questions.

On behalf of the entire Home Performance team, thank you for your participation.

Sincerely,

Josh Ebner
