
PSEG LONG ISLAND HOME PERFORMANCE PROGRAM ANNOUNCEMENT

Document #: HP 2024-06
Announcement Date: April 8, 2024

RE: 2024 Home Energy Assessment Program Updates

PSEG Long Island is pleased to announce the following changes to the Home Energy Assessment (HEA) process.

- Effective April 1, 2024, and until further notice, completed and approved HEAs will receive \$350 per assessment.
- All HEAs must now include blower door testing results unless there is a valid and documented health and safety concern.
- The program requirement to allow only one (1) HEA per PSEG Long Island account is changed to allow a maximum of two (2) HEA's per account.

Register Now! On Tuesday, April 30, 2024, PSEG Long Island Energy Efficiency team will be hosting Manual J in a Day. This course covers the fundamentals of residential heat loss and heat gain calculations and takes the nationally recognized residential load calculation standard and breaks it down in a way that's easy to understand and apply.

Register Now! On Wednesday, May 1, 2024, PSEG Long Island Energy Efficiency team will be hosting Manual D in a Day. This program is designed for the HVAC professional who will use both a pen and paper or a computer-based program to calculate duct sizes for residential structures.

<https://acca.org/education/manual-d-in-a-day>

Please use the links provided above to register on the ACCA website. Once the course is completed, PSEG Long Island will reimburse 80% of the event costs. We will provide detailed instructions on how to get reimbursed prior to the class dates.

The PSEG Long Island's Energy Efficiency team holds Open House Events every Friday from 9AM to 10AM at the TRC office at 395 North Service Road, Suite 409, Melville, NY 11747 or you can join us on our [Virtual Open House meetings](#).

If you have any issues with the Home Comfort Program or rebate application, you can contact myself, Scott Swezey, (sswezey@trccompanies.com) or Sophia Desir (sdesir@trccompanies.com) with questions.

On behalf of the entire Home Performance team, thank you for your continued participation!

Sincerely,

Josh Ebner
